

The Leisure Outlook - UK - September 2019

Report Price: £1995.00 | \$2693.85 | €2245.17

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“Whereas the UK leisure economy benefitted from 2018’s summer heatwave and England’s run in the FIFA Men’s World Cup, participation in leisure activities has continued to increase in 2019 so far, with expenditure likely to follow.

Whilst high employment levels and positive real wage growth has boosted sentiment, the coming months will be the real test to the strength of this confidence.”

– **Trish Caddy, Senior Foodservice Analyst**
