B2B Economic Outlook: Inc Impact of COVID-19 - UK

“The COVID-19 lockdown will see household expenditure on energy increase in 2020. While consumption is up, wholesale energy prices have collapsed amid the pandemic. This is pushing down the cost of new deals which means households are able to make greater savings by switching to a cheaper tariff. This would ...

Legal Services: Inc Impact of COVID-19 - UK

“The COVID-19 pandemic is expected to result in a 12% decline in the UK legal services market in 2020, reflecting the anticipated contraction in GDP and reduced demand in a number of sectors, including mergers and acquisitions and other transactional work, conveyancing work and personal injury claims. However a number ...
