

Consumers and the Economic Outlook - UK - November 2019

Report Price: £2195.00 | \$2963.91 | €2470.25

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“Brexit has been delayed again. The public faces a Christmas general election. And the economy narrowly avoided a recession in September. It is no wonder, then, that consumer confidence has taken a hit. However, financial well-being is holding up and the vast majority of people think they’ll be OK in the year to come.”
– Rich Shepherd, Associate Director – Financial Services

This report looks at the following areas:

- **Brexit concerns have intensified**
- **Confidence is down but consumer finances are still holding up**
